

City of Comfrey Minutes
Special Meeting
August 14, 2024 at 6:30 PM
Comfrey Community Center

Pursuant to due call and notice thereof, the city council of Comfrey met in special session Wednesday, August 14, 2024 at 6:30 PM in the community center. All members were present and Mayor Richter presided. Steve Berberich and Jill Veerkamp were also present. Purpose of the meeting was for long-range planning and any other items brought before the council.

Long-range planning discussion for all departments within the city was held. Possible capital improvements through the year 2029 were discussed. The trees in the parks have all been planted. There are only a couple left to plant in front of the municipal building. Quotes for new blinds and tables for the community center will be brought to a future meeting. The future retirement of Steve Berberich was discussed with plans to start setting funds aside for training.

Future options to add on to the city shop were discussed and quotes should be requested for review. The County Road 17 street project has been pushed off one more year to 2026. Planning for the increased electricity rates were also discussed and the possibility of combining some of the meters in the parks

The meeting adjourned on a motion made by Arnsdorf, second by Evers at 7:33 pm.
